**KOLOGIK, LLC, ET AL.,¹
DEBTORS.**

**CASE NO. 24-10311
CHAPTER 11
(JOINT ADMINISTRATION)**

**GLOBAL NOTES REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Contemporaneously herewith, above-captioned debtors and debtors-in-possession file (each a “Debtor” and collectively, the “Debtors”) are filing their respective *Schedules of Assets and Liabilities* (collectively with attachments, the “Schedules”) and the *Statements of Financial Affairs* (collectively with attachments, the “Statements,” and together with the Schedules, the “Schedules and Statements”), which were prepared pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”), and rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”). The Schedules and Statements were prepared by management of the Debtors, with the assistance of the Debtors’ advisors, and are unaudited.

These *Global Notes Regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs* (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, each Debtor’s respective Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.

While the Debtors’ management has made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances, based on information that was available at the time of preparation, inadvertent errors, inaccuracies, or omissions may have occurred or the Debtors may discover subsequent information that requires material changes to the Schedules and Statements. Because the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that the Schedules and Statements are complete. The Debtors hereby reserve all of their rights to amend and supplement the Schedules and Statements as may be necessary or appropriate.

The Schedules and Statements have been signed by Ms. Kim Thayer, Chief Financial Officer and Chief Restructuring Officer of Debtor, Kologik LLC. In reviewing and signing the Schedules and Statements, Mr. Thayer necessarily relied upon the efforts, statements, and representations of the Debtors’ other personnel and advisors. Mr. Thayer has not (and could not have) personally verified the accuracy of each such statement and representation, including, but

not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and respective creditor addresses.

These Global Notes are in addition to any specific notes contained in each Debtor's respective Schedules or Statements. Furthermore, the fact that the Debtors have prepared Global Notes or specific notes with respect to each of the individual Debtor's Schedules and Statements and not to those of another should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Notes or specific notes to any of the Debtors' other Schedules and Statements, as appropriate.

Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

Global Notes and Overview of Methodology

1. **Description of Cases.** On April 23, 2024 (the "Petition Date"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Middle District of Louisiana (the "Bankruptcy Court"). The Debtors' chapter 11 cases are jointly administered for procedural purposes only under the lead case caption In re Kologik, LLC., et al., Case No. 24-10311. The Debtors continue to operate their businesses and manage their properties as debtors- in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No committee has been appointed.
2. **"As Of" Information Date.** To the best of the Debtors' knowledge, the information provided herein represents the data relating to the assets and liabilities of the Debtors as of the Petition Date. Amounts ultimately realized may vary from net book value (or the applicable value ascribed herein) and such variance may be material. Accordingly, the Debtors reserve all of their rights to amend or adjust the value of each asset set forth herein. In addition, the amounts shown for total liabilities exclude items identified as "unknown," "disputed," "contingent," "unliquidated," or "undetermined," and, thus, ultimate liabilities may differ materially from those amounts now specifically stated in the Schedules and Statements.
3. **General Reservation of Rights.** As set forth above, reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions, as well as discovery of conflicting, revised or subsequent information, may cause a material change to the Schedules and Statements. The Debtors reserve all rights to amend, supplement or otherwise modify the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including the right to amend, supplement or otherwise modify the Schedules and Statements with respect to any claim description, designation, or Debtor against which the claim is asserted; dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; subsequently designate any claim as "disputed," "contingent," or "unliquidated;" or object to the extent, validity, enforceability, priority, or avoidability of any claim, in each case, regardless of whether such claim is

designated in the Schedules and Statements as “disputed,” “contingent” or “unliquidated”. Any failure to designate a claim in the Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such claim or amount is not “disputed,” “contingent,” or “unliquidated.” Listing a claim does not constitute an admission of (a) liability or (b) amounts due or owed, if any, in each case, by the Debtor against which the claim is listed or against any of the Debtors. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to these chapter 11 cases, including without limitation, issues involving or defenses against claims, substantive consolidation, defenses, equitable subordination, or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant nonbankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

4. **Basis of Presentation.** Information contained in the Schedules and Statements has been derived from the Debtors’ books and records and historical financial statements. The information presented has been reported in these forms in the good faith belief the information provided is responsive and accurate. The Schedules and Statements have not, however, been subject to procedures that would typically be applied to financial statements prepared in accordance with Generally Accepted Accounting Principles (“GAAP”) and are not intended to reconcile fully with any financial statements prepared under GAAP. Therefore, combining the assets and liabilities set forth in the Schedules and Statements would result in amounts that are substantially different from financial information that would be prepared on a consolidated basis under GAAP. Moreover, given, among other things, the uncertainty surrounding the valuation, collection, and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time before the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent at the Petition Date or any time before the Petition Date. For the avoidance of doubt, nothing contained in the Schedules and Statements is indicative of the Debtors’ enterprise value.
5. **Causes of Action.** Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in the Schedules and Statements. The Debtors reserve all of their rights with respect to any claims or causes of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “Causes of Action”) they may have, and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of

any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

6. **Recharacterization.** The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, interests, and other items reported in the Schedules and Statements. Nevertheless, due to the size and complexity of the Debtors' businesses, the Debtors may not have accurately characterized, classified, categorized, or designated certain items, or may have omitted certain items. The Debtors reserve all their rights to recharacterize, reclassify, redesignate, add, or delete items reported in the Schedules and Statements at a later time as necessary or appropriate.
7. **Setoffs.** The Debtors may have offsetting claims with third parties in the course of their business. Offsets in the ordinary course can result in various ways, including intercompany transactions and business dealings between companies, pricing discrepancies, overpayments, or can arise from other disputes between the Debtors and their counterparties such that setoffs or recoupment may exist or be invoked. These offsets, recoupments, and other similar rights are consistent with the Debtors' rights and are not tracked separately. Therefore, although the impact of such offsets and other similar rights may have been accounted for when certain net amounts were included in the Schedules, ordinary course offsets are not independently accounted for, and as such, are not included separately in the Debtors' Schedules and Statements.
8. **Classifications.** Listing (a) a claim on Schedule D as "secured," (b) a claim on Schedule E/F as "priority," (c) a claim on Schedule E/F as "unsecured," or (d) a contract on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' rights to recharacterize or reclassify such claims or contracts or to setoff of such claims.
9. **Court Orders.** Pursuant to certain orders of the Bankruptcy Court entered in these chapter 11 cases (the "First Day Orders"), the Debtors were authorized (but not directed) to pay, among other things, certain prepetition claims of employees, critical vendors, bank fees, and utility service providers. Regardless of whether such claims are listed in the Schedules and Statements, to the extent such claims are paid pursuant to any order of the Bankruptcy Court (including the First Day Orders), the Debtors reserve all rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate.
10. **Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and post-petition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and post-petition periods may change. The Debtors reserve the right to amend, supplement, or otherwise modify the Schedules and Statements as they deem appropriate in this regard.
11. **Estimates.** To prepare and file the Schedules and Statements in accordance with the deadline established in these chapter 11 cases, management was required to make certain

estimates and assumptions that affected the reported amounts of these assets and liabilities. The Debtors reserve all rights to amend, supplement, or otherwise modify the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

12. **Currency.** Except as otherwise specified, all amounts are reflected in U.S. dollars. Amounts originally listed in any other currency have been adjusted to reflect U.S. dollars at the relevant exchange rate pursuant the Debtors' ordinary course accounting practices.
13. **Executory Contracts.** Although the Debtors have made diligent attempts to properly identify the Debtor counterpart(y/ies) to each executory contract on Schedule G, it is possible that the Debtors may have inadvertently failed to do so due to the complexity and size of the Debtors' businesses. The Debtors reserve all of their rights with respect to the named parties of any and all executory contracts, including the right to amend, supplement, or otherwise modify Schedule G. In addition, although the Debtors have made diligent attempts to properly identify executory contracts and unexpired leases, the inclusion of a contract or lease on Schedule G does not constitute an admission as to the executory or unexpired nature (or non-executory or expired nature) of the contract or lease, or an admission as to the existence or validity of any claims held by any counterparty to such contract or lease. Furthermore, while the Debtors have made diligent attempts to properly identify all executory contracts and unexpired leases, inadvertent errors, omissions, or over inclusion may have occurred.
14. **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown, disputed, contingent, unliquidated, or otherwise undetermined amounts, the actual total may be different from the listed total.
15. **Claim Amounts.** The Debtors have submitted what in their good faith efforts they have determined are the correct amount for each claim. Claim amounts that could not be quantified by the Debtors are scheduled as "unliquidated." The description of an amount as "unknown," "disputed," "contingent," "unliquidated," or "undetermined" is not intended to reflect upon the materiality of such amount.
16. **Credits and Adjustments.** The claims of individual creditors for, among other things, goods, products or services are listed as amounts entered on the Debtors' books and records and may not reflect credits, allowances or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights respecting such credits, allowances and other adjustments, and in fact continue to review financial records to account properly for claims amounts, claims against third parties, etc..
17. **Global Notes Control.** In the event that the Schedules and Statements differ from the Global Notes, the Global Notes shall control.

Specific Disclosures with Respect to the Debtors' Schedules

Schedule A/B:

The Debtors' failure to list any rights in real property on Schedule A/B should not be construed as a waiver of any such rights that may exist, whether known or unknown at this time. Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their Causes of Action or potential Causes of Action against third parties as assets in the Schedules and Statements. The Debtors reserve all of their rights with respect to any Causes of Action that they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of action, or avoidance actions or in any way prejudice or impair the assertion of such claims.

The Debtors highlight that several valuable intangible assets identified in Schedule A/B have been ascribed an "unknown" value, including: Software [Ex. 41], Trademarks and Copyrights [Ex. 60], Domain Names [Ex. 61], Software Licenses [Ex. 62], Customer Lists, and Registered IP [Ex. 64] (collectively, the "Certain Intangible Assets"). These Certain Intangible Assets are Purchased Assets as defined in that certain *Asset Purchase Agreement* (P-15-2) (the "APA"). The APA sets forth that the Purchase Price—as defined in the APA as (i) \$24 million, plus (ii) the Net Working Capital Adjustment (as defined in the APA), minus (iii) Assumed Indebtedness (as defined in the APA)—is aggregate consideration for the Certain Intangible Assets and other Purchased Assets (as defined in the APA) and the assumption of certain Assumed Liabilities (as defined in the APA). Although the APA provides a Purchase Price Allocation [APA, § 11.3], it does not provide specific values for the Certain Intangible Assets and other Purchased Assets; rather, a methodology for determining allocation for tax purposes after closing. Therefore, the value of these Certain Intangible Assets is currently unknown on an asset by asset basis and this is reflected as such in Schedule A/B.

Schedule D:

Except as otherwise agreed pursuant to a stipulation, or agreed order, or general order entered by the Bankruptcy Court that is or becomes final, the Debtors and their estates reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. Further, while the Debtors have included the results of Uniform Commercial Code searches, the listing of such results is not, nor shall it be deemed an admission as to the validity of any such lien. Conversely, the Debtors made reasonable, good faith efforts to include all liens on Schedule D but may have inadvertently omitted to include an existing lien because of, among other things, the possibility that a lien may have been imposed after the Uniform Commercial Code searches were performed or a vendor may not have filed the requisite perfection documentation. Moreover, the Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights.

Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

The Debtors have identified two senior secured tranches of indebtedness in that certain *Emergency Motion for Entry of Interim and Final Orders (I) Authorizing Debtors to Utilize Cash Collateral, (II) Granting Adequate Protection to Prepetition Secured Parties, (III) Modifying the Automatic Stay, (IV) Scheduling a Final Hearing, and (V) Granting Related Relief* (P-8) (the “Cash Collateral Motion”): the MRB Notes (as defined in the Cash Collateral Motion) held by Lactor, LLC and the Riva Note (as defined in the Cash Collateral Motion), defined as the “Senior Secured Notes.” Nothing in Schedule D is intended to establish the relative rank and priorities of secured debt or to vary the proposed payment of the Senior Secured Notes as provided in the Cash Collateral Motion.

The Amount of claim values were calculated as of March 31, 2024, as financials for April 2024 were not yet closed when these Schedules and Statements were filed.

Schedule E/F:

The Debtors reserve all of their rights to dispute the amount and the priority status of any claim on any basis at any time. The Debtors have used their reasonable best efforts to list all general unsecured claims against the Debtors on Schedule E/F based upon the Debtors’ existing books and records. Certain creditors listed on Schedule E/F may owe amounts to the Debtors and, as such, the Debtors may have valid setoff or recoupment rights with respect to such amounts. These setoffs and other similar rights are not tracked separately. The amounts listed on Schedule E/F may not reflect any such right of setoff or recoupment and the Debtors reserve all rights to assert any such setoff or recoupment rights. The Debtors reserve all rights to challenge any setoff and/or recoupment rights that may be asserted.

Schedule E/F may reflect prepetition amounts owing to counterparties to executory contracts and unexpired leases. As set forth in that certain *Order (I) Approving and Authorizing (A) Bid Protections in Connection with the Sale of Certain Assets of the Debtors and (B) Form and Manner of Notice of the Sale Hearing, (II) Scheduling the Sale Hearing, and (III) Granting Related Relief* (“Bidding Protections Order”), to the extent that an executory contract or unexpired lease identified in the *Cure Amount Schedule* (P-14-3), any prepetition amounts owing to these contract counterparties must be dealt with in accordance with the Bidding Protections Order.

The Court entered that certain *Interim Order (i) Authorizing the Debtors to Pay Certain Prepetition Claims of Critical Vendors, and (ii) Granting Related Relief* (P-46) (the “Critical Vendor Order”) authorizing, but not directing, the Debtors to pay prepetition claims of certain “Critical Vendors” (as defined in the Critical Vendor Order). Schedule E/F may reflect prepetition amounts owed to Critical Vendors but such amounts may have or will be paid to these Critical Vendors in the ordinary course of the Debtors’ business pursuant to the Critical Vendor Order.

The Amount of claim values were calculated as of March 31, 2024, as financials for April 2024 were not yet closed when these Schedules and Statements were filed.

Schedule G:

While the Debtors’ existing books, records, and financial systems have been relied upon to identify and schedule executory contracts at each of the Debtors, and although reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or inclusions may have

occurred. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G and to amend, supplement or otherwise modify Schedule G as necessary.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon.

The Debtors hereby reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument related to a creditor's claim, to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G, and to amend, supplement or otherwise modify Schedule G as necessary. The inclusion of a contract or lease on Schedule G does not constitute an admission as to the executory or unexpired nature (or non-executory or expired nature) of the contract or lease, or an admission as to the existence or validity of any claims held by the counterparty to such contract or lease, and the Debtors reserve all rights in that regard, including, without limitation, that any agreement is not executory, has expired pursuant to its terms, or was terminated prepetition.
